

SPRINGFONTEIN

# ULUMBAZA WHITE OF SPRINGFONTEIN

# 2020

 <b>APPELLATION</b> Springfontein Rim	 <b>AREA</b> RSA, Stanford, Western Cape
 <b>GRAPE VARIETIES</b> 42 % Sauvignon Blanc 32 % Semillon 16 % Chardonnay 10 % Pinotage	 <b>ALCOHOL LEVEL</b> 12,0 %
 <b>WINE STORAGE</b> 10-15 °C	 <b>SERVING TEMP.</b> 14 °C
 <b>AGEING POTENTIAL</b> 10 years	 <b>PRODUCTION</b> 4.719 bottles

## STORY

From the cool Walker Bay limestone rim of the historic homestead Springfontein and its unique terroir, we took what nature offered us. We encouraged our vines to transform into the berries, what soil, sun, moon and stars whispered to their roots and leaves.

## RANGE

**Ulumbaza Estate Wine:** Our bottlings of the “Ulumbaza” family aim in the same sensory direction as the “Terroir Selection”, only that these are cuvées. The special thing about them is that they all contain Pinotage. This is true for the Ulumbaza Red anyway, but also for the Ulumbaza Pink, a rosé that we do not create as saignée, so not as a by-product of red wine production, but as an independently macerated wine, usually with Merlot as a partner.

## WINEMAKING

All four cultivars were vinified separately in either stainless steel or egg-shaped special tanks. Sauvignon blanc, Semillon and Chardonnay grapes were harvested by hand in the early morning and stored in a cold room overnight. The grapes were hand sorted before being destemmed, and partially crushed to gently extract the juice. The pressed juice was clarified for 48 hours before going into fermentation with indigenous yeast species. Pinotage grapes were harvested by hand and pressed as whole bunches immediately to reduce the color extraction from the skins. After pressing, the juice was oxidized by splashing until completely brown to remove any pink color pigments present. The browning in the juice drops out during fermentation. After fermentation, all four cultivars were kept separate on fine lees for 8 months and then blended, followed by stabilization and clarification. The wine was bottled unfiltered.

## TASTING NOTES

A complex aromatic wine with a refreshing palate expressing citrus, melon, tropical, grassy and floral notes with a long mineral finish.
